## Enclosures

Dear Sirs,

I am in receipt of your letter of the 11th instant regarding the anchor and cable certificates in the cases of the motorship "KARPATY" and the steamer "SOLDEK", and as desired, I forward herewith the certificates referring to the equipment which it is understood is on board the "KARPATY", but I would point out that these certificates have not been endorsed on the back as the equipment in question has not been verified on board the ship.

It will therefore be necessary for you to take advantage of a suitable opportunity for one of the Society's Surveyors to verify the equipment and to endorse the certificates.

As regards the certificates in the case of the "SOLDEK", these are in the possession of Mr. Trenchard who will return them direct to you from Hamburg to which port he is now proceeding.

Yours faithfully,

Assistant Clerk  
to the Classification Committee

Messrs. Gdynia-America Shipping  
Lines Ltd.,  
Portowa 15,  
GDYNIA.  
Poland.
