S.

Dear Sir,

Referring to your letter of the 28th instant regarding the certificates of test of the watertube donkey boilers fitted in the motorship "ADRIA", I beg to inform you that, since the boiler material was not tested by the Society's Surveyors but by the Germanischer Lloyd Surveyors, no boiler certificates have been issued in this case. The numbers of the test marks on the boilers are No. 129 and 130.

I am, Dear Sir,

Yours faithfully,

G. H. C. Kamm
