D REPORT on the Messrs. Burmeister Wain's Proposal No. 10927.

It is submitted the freeboards given on the accompanying form being those required by the Tables merit approval, the same to be marked on the vessel's sides, inserted in the certificate of classification, and recorded in the Register Book, subject to the dimensions particulars now supplied being verified on completion of the vessel, to the tonnage opening being closed with efficient temporary covers, to the openings in the bulkheads at the forward & after ends of the tonnage well being closed as required for full allowance, and to the overboard scuppers from the tween-decks between the upper and second decks being fitted with storm-valves in metal castings other than of cast iron.

The freeboards have been computed on a corrected tonnage coefficient of .68, and are therefore subject to revision if necessary.

eliminary.
