POSTPONED SURVEYS.

Case of the S.S. "STAMOS".

No. 77258 in Reg. Bk. tons, Built

Classed Owners

Port of Registry

Survey Due Boiler Survey due 10.49.
Special Survey due 4.50.

Action has been deferred from time to time in view of the fact that the vessel has been laid up.

In reply to enquiry the Owners' Agents stated on the 25th October last that she was still laid up, and that they understood the vessel had been registered with the Hellenic Shipping Register. On enquiry of the Piraeus Surveyor he confirms that this information is correct.
