

S.S. "WILLIAM LOFT".

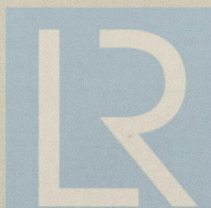

-----

This vessel was built at South Shields under  
Special Survey of this Society's Surveyors *for The Admiralty*

The engines were made by Messrs. Hawthorn,  
Leslie & Co., Ltd and the boiler by Messrs. Palmers' S. & I. Co  
under the survey of the British Corporation Surveyors and their  
certificate is attached hereto.

As it is provided in the Committee's Circular  
dated 16th March 1918 that in such cases this Society will  
issue the machinery certificate with the notation of LMC  
with date in red, it is submitted this vessel is eligible for  
the record of LMC 5.20.
