*Answer  
from  
11.2.26*

Dear Sir,

M/V. "INDORITA".

As requested from your office, I enquired from owners when they would be prepared to put the machinery of the above vessel through survey.

In their reply, they instruct me to make application to the Board of Trade for a Loadline Certificate, and to notify you of their intention to withdraw "INDORITA" from Lloyd's Class.

The Freeboard Certificates issued by you will be returned in due course through the Board of Trade.

Yours faithfully,

HIM/HC.

*H. Ian MacIver*
