Gentlemen:

..... 12/2/16 .....  
We desire in the arrangement of our new steamer  
building at the Union Iron Works Company, Hull No. 127,  
to maintain the same arrangement of bulkheads as called  
for on the plans submitted to Lloyds, and which arrangement  
is a practical duplicate of that in our S.S. "MATSONIA".

Yours very truly,

MATSON NAVIGATION COMPANY.

  
Ass't. Gen'l. Mgr.
