

12th February 1916.

Messrs. Matson Navigation Co.,
268 Market Street,
SAN FRANCISCO.

Dear Sirs,

I am in receipt of your letter of the 11th inst.
respecting the arrangements for Bulkheads in your vessel to
be built by the Union Iron Works Co., Hull No.127, and with
regard thereto I have pleasure to state that, the proposal
to omit an intermediate tween deck bulkhead as in the case
of the sister vessel "MATSONIA" will be approved subject to
a suitable notation being recorded in the Register Book.

Yours very truly,

HJC-HJ
