Dear Sir,

I enclose herewith copy of a letter addressed to the Union Iron Works Co. regarding plans for a steel screw Steamer proposed to be built by them for the Matson Navigation Company, which will be known as their Hull No.127.

The vessel is practically a duplicate of the ~~ir~~ steamer "MATSONIA", built by the Newport News Shipbuilding & Drydock Company for the same owners.

Copies of the approved plans are being forwarded to you under separate cover.

I am, Dear Sir,

Yours faithfully,

H. Gasper Co.

The Secretary,

LONDON.
