ANNO

24

15th September 1916.

Sir,

As requested by your letter of the 24th March last, I am forwarding under separate cover today the following information for the provisional freeboard assignment of the Union Iron Works Co's Hull No.127, viz:

1. Outline plan shewing arrangements of bulkheads, double bottom, etc.
2. Sheer, half breadth and body plan, incorporating curves of area of transverse sections and margin line.
3. Profile plan shewing position of side lights, scuppers, soil pipes, etc.
4. Displacement and other curves.
5. Coefficient of form.
6. Separate sheet of areas of transverse sections.

*Received
7.10.16*

Trusting that this information will be sufficient to enable a preliminary freeboard assignment to be granted,

I am, Dear Sir,

Yours faithfully,

The Secretary,
LONDON.
