by Chief Ship Surveyor 13/3/12

Received from Chief Ship Surveyor _____

EL'S NAME St J's No 94

Rpt. Rot

No. 7670

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

of Survey First entry

It is submitted that before this case received the consideration of the Committee, the Hull Surveyors should be informed that this vessel has been towed to their port where it is stated her machinery will be fitted, and to complete the survey on the hull, the engine and Boiler casings require to be completed.

They should be requested to give the case the necessary attention and ^{on completion of the work} forward a report on form 8 in regard to the classification of the Vessel.
