

1st October, 1948.

Dear Mr. Townshend,

I have your letter of the 25th ultimo reporting the result of your discussions with the Oslo and Bergen Surveyors in the case of the Motorship "LYNGAS".

Your remarks have been carefully noted and it is appreciated that the omissions in this case cannot be attributed to any fault on the part of the Surveyors.

Thanking you for your attention,

Yours faithfully,

S. Townshend, Esq.,
GOTHENEURG.

Clerk to the
