DISCLOSED
SECTION

The Annual Boiler Survey of this vessel became due
in August last.

The Kobe Surveyors now state, however, they have
been advised by the Owners that it is not desired to maintain
the steamer in the Society's Classification, and in the
circumstances the Classing Committee, who had the case before
them on Friday, 11th instant, decided to give instructions for
the vessel's character to be withdrawn from the Register Book
and three dots (...) inserted in lieu thereof, indicating
withdrawal of class at Owners' request.

17th January, 1929.
