

Steamer "MARGOT"

A Representative of Messrs. Leslie & Godwin Ltd., has called and left the attached extract of a letter from the Owners of this ship, and he will be obliged if we will communicate with the Owners direct and inform them of what will be necessary for the reinstatement of the vessel's class.

He is replying to the Owners that their enquiry has been passed on to this Office.

11th January, 1954.

4201. Terminal Hill

can be used on this office.
It is holding to the camera that they
could not get the camera to work.
The management of the vessel, a class
of ship will be necessary for the
communication with the camera direct and indirect
and he will be obliged to be with
him as it be able to film on the
extract of a letter from the camera of the
before the ship has been taken. It is
again the, has called and told the
a representative of the vessel. He is
