Received from Chief Ship Surveyor.....

VESSEL'S NAME "SIKISAN MARU"

Rpt. Kob

No. 11724

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

The 2nd S.S. No. 1, due 6.41, has been
commenced.

The KOBE Surveyors report the vessel placed in dry dock, the bottom coated, the Special Survey advanced and a number of rivets renewed. It is stated the Special Survey will be completed about July next.

it is stated
The Owners do not desire a fresh record of survey at this intermediate docking.

It is submitted the vessel appears worthy to remain as classed without record of survey as recommended.
