LLOYD'S REGISTER OF SHIPPING,

Wokingham, Berks., 15th November 1940.

H. To the Surveyors at Kobe.

Vessel's Name, Steamer "SYDNEY MARU"

---

I shall be glad to learn what  
agreements the Owners propose making  
the completion of the 2nd Special  
Survey No.2, and carrying out of out-  
standing repairs.

The above inspection was  
conducted at Yokohama in March last.

J.R.B.

7th January 1941.

This vessel was on survey  
at Yokohama in November last for  
damage to hull and machinery but it  
is not clear from the Yokohama  
Returns whether the 2nd Special  
Survey No.2 was carried out at that  
time or not.

Please see Yokohama Report  
No. 11670 which is self-explanatory.
