VESSEL'S NAME

Steel ss. Koki Maru Rpt. Jka

No. 2838

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/32.)

Nature of Survey

The class of this vessel is subject to the chain cables having been tested at a machine recognised by the Committee. It now appears that the machine at which the cables for this vessel were tested has since been approved by the Committee.

In the circumstances it is submitted the vessel appears worthy to remain as classed without record of survey & without special conditions as now, without
