ANS'D

Communications to be addressed—  
Box 48, YOKOHAMA.

S

Dear Sir,

In reply to your letter of the 5th August  
regarding S.S. "KOKI MARU" we beg to state :-

The chain cables were tested at a machine approved  
by the Committee.

That the riveting of butts of K strake was as approved  
and that the thickness of tank top in engine room was as  
approved and not as stated in report.

Yours faithfully,

*Alex Ewing*

The Secretary,  
London.
