Dear Sirs,

No. 330. s.s. "Montezuma".

With reference to your favour of 29th instant, re Downton pump and kedge anchor for above vessel, we would respectfully suggest to you that it seems to us more a matter to be dealt with direct between your goodselves and the owners, or the C.G.M.S. Department. We may say that this pump and anchor were omitted according to instructions received from the C.G.M.S., and we shall be glad to hear from you in due course that the matter will be all in order.

Yours faithfully,
