Dear Sirs,

With reference to the classification of the above named vessel in the Society's Register Book, I am directed to remind you that the ^{2nd} Special Survey No. 2 prescribed in the Society's Rules for Iron and Steel Ships is now due, and I shall be obliged if you will kindly state for the information of the Committee when and at what port it will best suit your convenience to comply with this requirement, in order that the vessel's character may be duly continued in the Register Book.

I am, Dear Sirs,

Yours faithfully,

Malcolm K Scott

Secretary.

Messrs. Kawasaki Kisen K.K.,

Kobe-ku,
KOBE.

P.S. I think it well to inform you that the above Special Survey was held as regards the machinery in April 1940, but a further Boiler Survey became due at the end of April 1941, and I shall be glad to learn what arrangements are proposed to be made for this inspection to be carried out.
