

Italian Tanker "FULGOR"

CLASS:- +100A1 Carrying Petroleum in bulk.

The Manchester Surveyors report that the Captain of this ship produced an Assignment Letter from the "Registro Italiano", a copy of which is attached, from which it appeared that the necessary Convention requirements had already been carried out, and it only remained to place the new freeboards on the vessel's sides. These have now been marked, and the Surveyors forward the usual verification of marking form.

It is submitted the record in the Register Book be now amended in accordance with the particulars on the attached Form C.12(c), and the Board of Trade advised.

Retain plan.
