

Cantiere Navali della Spezia's S.S.No.1 (S.S."FULGOR").

It is submitted the Genoa Surveyors should be informed that in forwarding their First Entry Report on this vessel they should refer to this correspondence and state if any further examination has taken place in dry dock and if so, the number of rivets renewed.

The Surveyors should be advised that in any case the vessel cannot be recommended for unrestricted classification unless the riveting is in order.
