 ANSE. X  
 LONDON

I have to confirm radiograms exchanged respecting the case of the steamer "KANNA", as per attached copies.

The Union S.S. Co. of N.Z. Ltd's Representatives were greatly concerned regarding the restriction of draught stated to have been imposed on the vessel after the contract of sale had been signed and deposit paid.

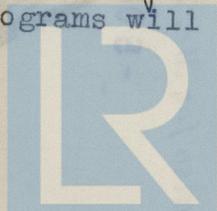

My radiogram of 22nd instant was forwarded to you at the request of this Company's Manager in Sydney, who conducted the negotiations with the Purchaser's Representative, and the contents of your reply dated 24th instant have been communicated to him.

I have also forwarded copies of these radiograms to the Society's Surveyor at Auckland for his attention when the vessel dry docks at that port.

I am, Dear Sir,

Yours faithfully,

P.S. The cost of the above radiograms will be recovered from the Owners at this port.
