Dear Sir,

I duly received your letter of the 13th ultimo, from which it is noted that the Owners now desire new freeboard certificates for the steamer "KANNA". In this connexion I have to inform you that when this vessel was reclassified in 1928 the Auckland Surveyor reported that freeboard certificates were not asked for, and in consequence freeboards were not re-assigned. It will therefore be necessary for you to forward full particulars on form 11b.

In view of your statement, however, that no structural alterations affecting the freeboard have been made to this vessel since the issue of the original certificates, new certificates similar to the latter are enclosed, for issue to the Owners when the freeboards are marked and verified.

You should forward the usual verification of marking form with your report.

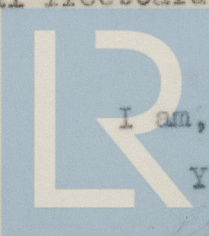

A copy of the original freeboard report is also enclosed for your guidance.

I am, Dear Sir,

Yours faithfully,

David K. Blair, Esq.,  
WELLINGTON.
