71, Fenchurch Street, E.C. 3.

7th June, 1928.

Dear Sir,

With reference to the statement contained in your
air Report, dated 27th April, 1928, on the s.s. "KANNA",
as the freeboard markings have been verified, I have to
point out that as freeboards have not been assigned to this
vessel upon reclassification, and new freeboard certificates
have not therefore been issued, you should arrange for
marks L.R. to be removed from the freeboard marking on
vessel's sides, if this has not already been done.

I am, Dear Sir,

Yours faithfully,

Secretary.

Plunket, Esq.,

AUCKLAND.
