Sir,

With reference to your repair Report No.1206
concerning the reclassification survey held on the s.s. "KANNA",
I wish to point out that if freeboard assignment is desired
it will be necessary for you to forward the full particulars,
including deck sheers, as required on form 11b, together with the
request form signed by the Owners.

I shall be glad if you will ~~also~~ forward
particulars of the freeboards marked on the usual verification
working form, in order to avoid delay in issuing the
board certificates should these figures be confirmed.

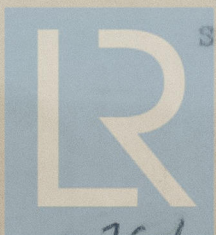

I may add that the usual statutory fee should be
paid for freeboard reassignment.

I am, Dear Sir,

Yours faithfully,

Plunket, Esq.,

AUCKLAND.

Secretary.
