7th March, 1921.

Dear Sirs,

I have to acquaint you that in December last the Society's Surveyors at Chicago wrote that they had been informed by the Owners of the steamer "CHICAGO" that this vessel was laid up at Seattle and that they ~~had~~ written you in regard to the carrying out of the boiler survey which became due at the end of October.

I may add that this vessel became due for Special Survey No.3 in March last and in the circumstances I shall be glad to learn whether this survey is now being carried out. If not, you will be so good as to let me know how the case stands.

I am, Dear Sirs,

Yours faithfully,

Copy to NYK.

Assistant to the Secretary.
