

## Lloyd's Register of Shipping.

New Hendrikkade 86,

Amsterdam, 7th September, 1948.

RECEIVED  
23 SEP 48

Enclosure.

7th September, 1948.

Dear Sir,

S. With reference to your cable of the 4th instant regarding the Steamer "KATRINA", I have to confirm my cabled reply yesterday as per copy enclosed.

The Committee's view is that my letter to you of the 2nd July made it quite clear that the Committee were only prepared to postpone the Special Survey until the 1st October on the condition that a General Examination would be held at once. This arrangement was not adhered to and the Committee see no reason to depart from their previous decision to insist upon compliance with the Special Survey by the date mentioned.

Please let me know what the Owners' intend to do in the matter as if they fail to submit the vessel to Special Survey this month there would appear to be no alternative but for the vessel's class to be expunged from the Register Book.

Yours faithfully,

Copy Ams.

Clerk to the  
Classification Committee.O. Tybeck, Esq.,
