

30th January, 1948.

Dear Sirs,

With reference to the Special Survey (D) which became due at the expiration of the validity of the "Examined" notation at the end of December last in the case of the Steamer "KATRINA", I have to acquaint you I am informed by the Helsingfors Surveyor that this vessel will be docked and repaired at your port in February/March next, and I shall be glad if you will give the case the necessary attention in due course.

I think it well to point out that the Special Survey has been held as regards the machinery and to draw your attention to the entry in the Special Reasons List regarding the permanent repairs required at this Special Survey.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
COPENHAGEN.
