Dear Sir,

H. Reverting to your letter of the 18th July last relative to the steamer "FIUME", I have to acquaint you that the Owners have advised the Society's Genoa Surveyors that the vessel is now at Venice and that it is their intention to have the survey of the donkey boiler completed before she leaves that port. In the circumstances I shall be glad if the Surveyors will give the case their attention.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

TRIESTE.
