# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

11th July, 1921.

Dear Sir,

With reference to the classification in this Society's Register Book of the steamer "FIUME" ex "WAR GENIUS", I have to acquaint you that this vessel's machinery was constructed under the Society's Special Survey in November last, and a record of ~~MLMC~~ LMC.11,20 was assigned subject to the Water-tube boilers being surveyed annually, and to the fastenings of the Donkey Boilers being examined and the donkey safety valves adjusted under steam.

It would appear that the steamer recently arrived at Trieste, and in the circumstances I shall be glad to learn what arrangements have been made with a view to the above matter receiving the necessary attention.

I am, Dear Sir,  
Yours faithfully,

Secretary.

The Secretary,

TRIESTE.
