

"
 s/o Triune"

1st Apr 20027.

This vessel's machinery was constructed under
 special Survey in November last. two donkey boilers
 re placed on board & to complete the survey of
 classification for the record of + LMC 11.20, the
 fittings of the donkey boilers require to be examined
 the donkey safety valves adjusted.

The Genoa Surveyors have been in communication
 with the Owners in the matter & they have now been
 informed that owing to the vessel being on charter
 to the Italian Government they could not make a
 definite promise. but that when the vessel comes to
 an Italian port, at which there is a Surveyor, the
 matter will be dealt with.

It is submitted that
 this vessel is eligible for
 THE RECORD + LMC 11.20. F.D. CL

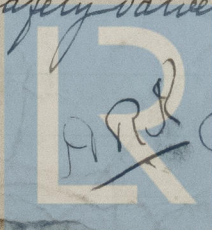

3 Water Tube Boilers. 200lb.

2 DB. 100lb. 2 Steam Turbines geared to 1 Screw Shaft.

Subject to the Water Tube Boilers

being surveyed annually

& to the fastenings
 of the donkey boilers being examined &
 the donkey safety valves adjusted
