Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

31st December, 1920.

Dear Sirs,

With reference to your first entry report No. 4449 on the steam turbines and double reduction gear made by Messrs. Metropolitan-Vickers Electrical Co., and Messrs. D. Brown & Sons respectively, I have to inform you that this machinery is now reported to have been fitted into the s.s. "FIUME" (ex "WAR GENIUS"), Messrs. The Monmouth Shipbuilding Co's No. 372 vessel.

With regard to this case I have to request that you will be good enough to state by return whether this machinery was completed to the order of the Shipping Controller at the makers' works, and if not, what percentage of work was done up to the date of transfer to private ownership.

I am, Dear Sirs,

Yours faithfully.

The Surveyors,

MANCHESTER.

Secretary.
