Lloyd's Register of Shipping,

31st December, 1920.

Dear Sir,

With reference to the Glasgow first entry report No.38333 on the boilers M.400 made by Messrs. Babcock & Wilcox Ltd., and now fitted into the new Steamer "FIUME" (ex "WAR GENIUS"), Messrs. The Monmouth Shipbuilding Co's No.372 vessel, I shall be glad if you will let me know by return, with a view to determining what fees should be charged for the survey of these boilers, whether special duties with regard to the specification were carried out while these boilers were under construction at Messrs. Babcock & Wilcox' Works, and what percentage of work was completed at the date of transfer to private Owners.

I am, Dear Sir,

Yours faithfully,

The Secretary,

GLASGOW.

Secretary.
