Dear Sirs,

With reference to your letter of the 23rd instant, respecting your first entry report No.20027 on the s.s."FIUME", ex "WAR GENIUS", I shall be glad if you will verify your statement that the butts of the forecastle side plating are single riveted, in view of double riveting being required by the Rules. You should also state whether the rivets in the butts are spaced 4 inches or $3\frac{1}{2}$ diameters apart.

I am, Dear Sirs,

Yours faithfully,

Secretary.
