ENCLOSURES.

22nd October, 1921.

Dear Sirs,

With reference to your telegram this morning respecting the steamer "FIUME", I have to acquaint you that the Donkey Boilers fitted in this vessel were not constructed under the Society's Survey. Plans of the boilers were however obtained from the makers, but as the boilers have not yet been surveyed no report on them has been furnished.

In the circumstances you will be good enough to survey these boilers with their mountings and fastenings, and forward particulars to this Office on Report Form 5b.

For your information and guidance the boiler plans referred to above are sent herewith.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

CARDIFF.

Secretary.
