Dear Sir,

Replying to your letter "H" of the 4th inst. we beg to inform you that our Tug "Ariel" is presently under repairs.

We apologize for our delay in answering to your first letter but we must state that we had advised your Office in our town that we were no longer desirous to have this ship classed at the Lloyd's Register, all our other ships beeing classed at the "Bureau Veritas". It is more practical for us to have all our ships registered at the same office.

Yours faithfully
