Dear Sirs,

H.

With reference to my letter of the 17th August last to which I have not been favoured with a reply respecting the Boiler Survey of the Tug "ARIEL", which became due so long ago as March last, I beg to inform you that the case must be submitted to the Committee on the 28th October and, if no definite arrangements regarding the carrying out of the Boiler Survey are made by that date, the Committee will doubtless deal with the vessel's class without further notice.

Yours faithfully,

Clerk to the  
Classification Committee.
