In a letter, dated 16th ultimo, the Owners state they very much regret that, as a measure of economy, they have found it necessary to request that the under-mentioned steam trawlers be withdrawn from the Society's Classification.

The cases received the consideration of the Classing Committee on Tuesday, 5th instant, when it was decided to give instructions for the character of each vessel to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

7th May, 1925.
