20th October, 1920.

Dear Sir,

I have to acknowledge the receipt of your letter of the 19th instant, respecting the case of the Steel Screw Drifter "FOAM" (Liverpool first entry report No. 81376) and to say that an account has to-day been rendered to the Admiralty for the fee due for the survey during construction of the hull of this vessel, viz:—£16:0:0.

On payment of this fee your account will be credited accordingly, and I shall therefore be glad if you will kindly see that the necessary entries are now made in the Liverpool Rough Fee and Debit Books in the usual way.

I have, however, to point out that the fee for the installation on board of the machinery in this case is the liability of the firm who carried out the work, and I shall be glad if you will kindly render an account for £4:10:0 accordingly.

I am, Dear Sir,
Yours faithfully,

Secretary.

The Secretary,

LIVERPOOL.

Whitehall, S.W. (1).
