We beg to acknowledge the receipt of your letter of the 25th instant. There must be a mistake on your side as our steamer "LE SCORFF" has been classed with Bureau Veritas from the day we took possession of her that is to say 10th September 1906. From that time the vessel has never been surveyed by Lloyd's Register but if she had been classed in your Register Book she would certainly not have failed to have carried out every year the necessary survey.
