Mr. Denton, the London Representative of Messrs. Swan, Hunter & Wigham Richardson Ltd., has now telephoned to say that he is sending round a cheque for £391.1.0 in payment of the fees, and that if the amount is not quite correct it can be adjusted afterwards.

He is at the same time forwarding an authority for the certificates to be delivered to the Owners, the Byron Steamship Co., Ltd., who should acknowledge the receipt of the documents.
