Chief Ship Surveyor.....

Received from Chief Ship Surveyor.....

NAME "ST. ANNE" REPORT Lon. No. 111913

of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

he endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and so to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

The vessel's class is "subject to Annual Survey", this being duly recorded in the Register Book.

The LONDON Surveyors now report this barge afloat and the sides increased in thickness by 3" to 6" between the bulkheads in the hold.

The frames have also been reinforced.

It is submitted the vessel be continued as classed.
