GLASGOW

Enclosures.

30th September, 1943.

Dear Chisholm,

I am obliged for your letter regarding the concrete barge and the information you sent as to the usual practice in the bulkhead arrangements of craft of this kind.

I enclose a copy of the endorsement which has been prepared and we will now await Sir Owen's reactions to Colley's suggestions.

The plan of Messrs. Pollock's ship is returned herewith.

With kind regards,
Yours sincerely,

A. Chisholm, Esq.,
LONDON.
