Dear Sirs,

S.

I duly received your letter of the 14th ultimo, respecting your grab hopper barge "MARY SOUTHWELL", and note that as this vessel will only be used for river service in the future, you do not desire to maintain her classification with this Society.

In the circumstances the Committee, who have recently had this case under consideration, have given instructions for the vessel's class to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.

Yours faithfully,

Clerk to the  
Classification Committee.
