Received from Chief Ship Surveyor..... 12 JUL 1946

L'S NAME "MARY SOUTHWELL" REPORT Lon. No. 113934

marks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

A General Examination became due 8.44.

This river service hopper barge has been laid up and action is deferred for General Examination and dry docking, the vessel not having been dry docked since date of build (1937).

The LONDON Surveyors report the vessel placed on slipway, bottom coated, and GENERAL EXAMINATION held.

It is submitted the vessel is eligible to remain as classed with record of docking survey 6.46, and to have the notation "Examined 6.46" valid for 12 months as recommended assigned.
