Dear Mr. Bulow,

I have looked into the case of the "ELFSBORG" to which you called my attention while I was at Gothenburg, and have obtained the original freeboard papers for reference.

We have assigned exactly the same freeboard as the original assignment by the British Corporation. The amended Tables in this case do not admit of any reduction from the original freeboard.

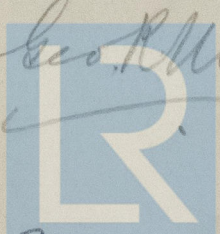

The amended assignment letters were sent to you on the 11th instant (which will of course cancel the previous Owners' letter dated the 5th September), but I had not time then to write to you personally.

Many thanks for sending copy of Paper dated 27th September referring to our visit. I have very pleasant recollections of the visit to Gothenburg.

With kindest regards to yourself and colleagues,

Yours faithfully,

V. C. Bulow, Esq.,
GOTHENBURG.
