Dear Sirs,

With reference to Gothenburg First Entry Report No. 4938 on the s.s. "HOLMENGRÄ" (ex "ELFSBORG") I shall be glad if you will state whether the deck tanks have been examined and tested; whether the strengthening at the break, provision against panting, and strengthening of the bottom forward, are satisfactory, and also whether the hatchway coamings have been additionally strengthened by brackets as required by my letter of the 27th February 1919; and further, whether the requirements of Section 48 of the Rules for vessels not built under survey have been complied with.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

GOTHENBURG.

Secretary.
