The Secretary,  
Lloyd's Register of Shipping,  
London.

Dear Sir,

Replying to your letter of the 14th ulto, (H) and cable of yesterday, the latter reached us somewhat mutilated, but have decoded it as follows,

"Carmen referring to my letter of 14th October  
"telegraph how did matter stand"

which had attention. We should have replied earlier but have been waiting news from the owners, who now advise that the vessel will be here on the 23rd inst.

Whether however the call here is for the purpose of completing the Survey partly held, or for cleaning only, we are unable to say. We shall doubtless hear definitely from the owners in the course of a mail, or at any rate when the boat arrives, when we will reply to your telegraphic enquiry by cable.

We are, Dear Sir,

Yours faithfully,
