23rd January, 1929.

Dear Sirs,

S. With reference to your first entry report No.18109 on the steamer "WESTPOLDER", before submitting this case to the Committee I have to request that you will forward a midship section of the vessel as built, through No.2 hatch.

At the same time, I shall be glad if you will state the fire grate area for each boiler, and whether the engines and boilers were in use before being fitted in this vessel.

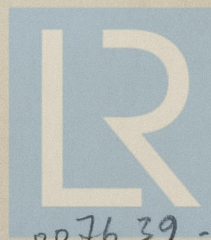

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

ROTTERDAM.
